Dear Howard:

I wanted to drop you a note to thank you for your courtesy and professionalism regarding the window installation project at Park Lane South.

New York 11050

As you are aware, the Board was very concerned about picking the right contractor for the job. I am happy to say that all are pleased with the quality of the product as well as the professionalism of the installers. Your constant personal attention to the job, as well as your coordination of the job with Ed Agnoli our architect of Howard Zimmerman Architects, P.C. was appreciated. I feel that such attention went a long way in insuring that the job went as smoothly as it did.

Again, I thank you for your help at Park Lane South. I look forward to doing business with you again.

Very truly yours,
